

Reading Source:

<p>Topic: State the topic or question the author is interested in.</p>	
<p>Main Idea: State the main message or argument. What does the author say <i>about</i> the topic?</p>	
<p>Now, list the content and function of each Key Point in the article. Your answers may not match the sample answers exactly, and that's ok. But make sure you haven't missed any key ideas.</p>
